SEE THE BEST FIRST

From the hunter-gatherers making their home along the Cumberland, to the lone French fur trader establishing a trading post, from the initial hearty settlers of Fort Nashborough, to the first musician to step off a bus onto Broadway with nothing but a guitar and a dream, Nashville has been the hook on which the brave and entrepreneurial have hung their hopes and aspirations. Their success inspires others to hone their chops and journey to Music City in search of their own big hit. As we weave our way through this rich and vibrant city learning about, and paying tribute to, its legends and pioneers, you won't help but feel inspired, too!

HOW THE TOUR WORKS

Our fleet of orange-and-green trolleys travel through Nashville frequently on a continuous 12-mile loop with 15 stops. Start your tour at any of our stops and tour the entire day. Hop on - hop off your trolley to enjoy our narrative, presenting a great overview until you return to your starting point.

HOP ON AND OFF!

Depending on your start time, you may also use your ticket to enjoy your tour in segments by hopping off at one or two of our stops on the loop. Each stop offers a unique aspect of Nashville. When you are ready to continue, simply hop on the next available trolley. The number of stops you can explore in one day depends on the time of year you are touring and the amount of time you have on the day of your tour. For your convenience, we offer discounted Old Town Trolley and attraction combination packages!
