SEE THE BEST FIRST!

Welcome aboard the original Old Town Trolley Tours®. Enjoy our twenty-five mile, fully narrated tour of San Diego and Coronado. Colorful anecdotes, stories and historical information are combined into a two-hour narrative that will both entertain and educate. We are the "attraction that takes you to all the attractions" and have been entertaining millions of guests since 1989. Our tour has been hailed as the "Best Way to See the City" by SignOnSanDiego.com and was twice awarded the prestigious "Finest Service Award".

HOW THE TOUR WORKS

Our fleet of orange-and-green trolleys travel through San Diego and Coronado frequently on a continuous twenty-five mile loop with 10 stops. Start your tour at any of our stops and tour the entire day. Stay on board your trolley and enjoy our narrative, presenting a great overview of "America's Finest City", until you return to your starting point in approximately two hours.

HOP ON HOP OFF - TOUR ALL DAY

Depending on your start time, we recommend hopping off and on at one, two or three stops on the loop. Each stop offers a unique aspect of San Diego. When you are ready to continue, simply hop on the next available trolley. Another trolley arrives in approximately 30 minutes. The number of stops you can explore in one day depends on the time of year you are touring and the amount of time you have on the day of your tour.
